Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Berlin Wastewater Treatment Plant Expansion in fiscal year 2024. The entity to receive funding for this project is the Holmes County Board of Commissioners, located at 2 Court ST, Suite 14, Millersburg, OH 44654. The funding would be used to construct an upgrade to the water treatment plant that services the Berlin area. The project is an appropriate use of taxpayer funds because the expansion will help residents, businesses, and visitors by providing the necessary infrastructure to maintain clean streams and protect our environment.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson  
Member of Congress
